

JUNIOR SPRING TIMELINE OVERVIEW

SPRING AND SUMMER

- ◆ Explore and review your potential career path. Review the training/programs/schooling/requirements to get there.
- ◆ Visit schools and research programs to round out your list.
- ◆ Update your resume!
- ◆ Look at application requirements (Consider - Are they test optional? *Look at the college's freshmen profile and determine where your test score falls. If it's within range, consider submitting it. If not, consider that too. Do I need to write an essay? Is there a letter of rec required?)
- ◆ Look at deadline and due dates for each college. Record these and make note of them!
- ◆ If a "letter of rec" is required, ask a teacher if they would be willing to write one for you.
- ◆ Sign up to re-take SAT or take an ACT if desired.
- ◆ Look for scholarships!

AUGUST

- ◇ Work on essay prompts if essays are required for applications.
- ◇ Start applications in August when they roll over to the next class.
- ◇ Continue to look for scholarships!

FALL

- * Make sure you have your graduation requirements in your schedule.
- * Attend senior meeting.
- * Meet with your counselor for your senior interview.
- * Attend a financial aid workshop.
- * Fill out your FAFSA starting in October.
- * Continue to look for scholarships!
- * Make sure you have submitted your applications on time with all pieces required getting to the institution before their deadline.
- * Attend college rep visits and College Night .
- * Continue to keep up grades and study hard!

WINTER

- Submit mid-year transcript if required.
- Continue to look for scholarships!
- Make sure to finish any applications with later deadlines.
- Continue to maintain grades, etc.

SPRING
